

How to Download and Log In to the Dairygold Gateway Mobile App

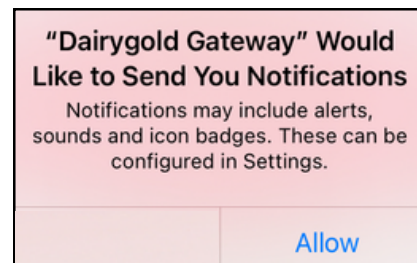

1. Search “Dairygold Gateway” on your App Store or Google Play Store and look for the Dairygold Gateway logo:

2. Press “Get” or “Install” and enter your App Store / Play Store password to download the Gateway App

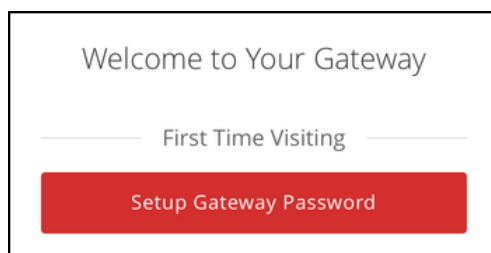

3. Open the Gateway app on your phone and when prompted, press “Allow” for Notifications so that you can receive updates from Dairygold

4. Press “Sign in here”

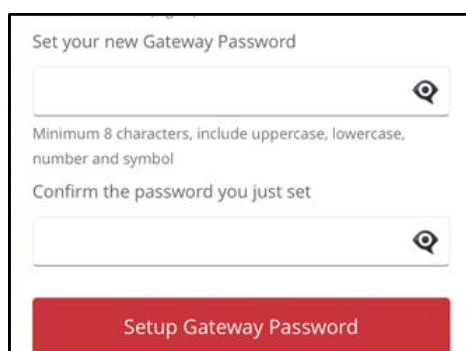

5. Click the red button “Set up Gateway password” to log in

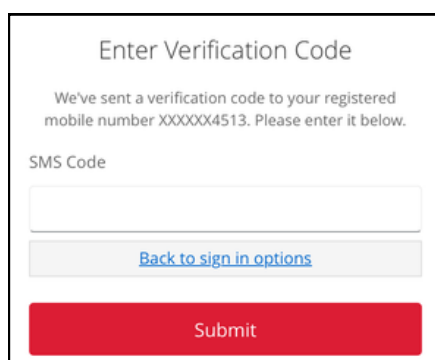

6. Enter your current Gateway username that you use to log in on your desktop

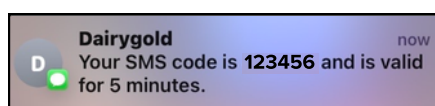

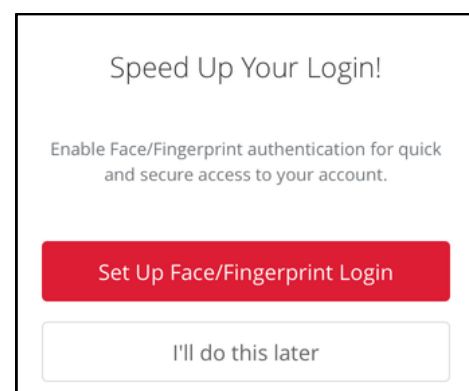

7. Set a new password for yourself, following the given instructions

8. Enter the 6-digit verification code sent by text to the main phone number linked to your Dairygold account

9. You can also set up your Face / Fingerprint log in for future logins

10. Welcome to the Dairygold Gateway Mobile App!
